

The Remarketing Tool for Used Vehicles

Individual Remarketing

- You market your vehicles directly to your dealers.
- You decide what is marketed to whom and when.
- Your customer base remains loyal to you - and grows.

Full Transparency

- All sales of used vehicles are documented.
- All buyers are informed.
- Additional agreements with buyers are not possible.

Increase in Efficiency

- Relief for the seller.
- This leaves more time for the retail business.
- Achieving the regional sales price through competition between buyers.

Minimal Effort

- No software effort, CarBidOne is a web based application.
- Simple user interface.
- Low costs.
